Dear B.U.H.S. Students:

I was asked some time ago to write a letter to B.U.H.S. students for the Yearbook - not just to the graduating class where one could wish them luck with future endeavors and not just to the undergrads where one could urge them to take advantage of opportunities for self improvement at B.U.H.S., but to everyone.

I sought inspiration in the row of Yearbooks from years past. In the past fifteen years I have watched over three thousand students graduate. I have watched students change over the years. Past students return "X" number of years later, looking different, working at jobs that didn't exist when they graduated.

The staff has changed. I've seen younger teachers with new ideas arrive and teachers retire after many years inspiring students. Those of us remaining have also changed over the years.

The Yearhook reflects the increasingly technological society we live in. Now you see a room full of computers instead of ledger books, computers instead of drafting boards, and "word processors" instead of typewriters. The Yearbook only partially reflects the changes in society which affect a school or the changes which begin in our schools and which may change society.

Change is the byword. Be prepared for and equip yourself to deal with change. To the seniors, good luck with the changes to come. To the undergrads, prepare yourself the best you can at B.U.H.S. for the changes to come.

"There is nothing permanent except change."

BUHS SCHOOL SONG

O'er the stands in royal purple
High School banners fly,
Cheer on cheer like volleyed thunder
Echoes to the sky.
See! Our High School tide is turning,
Gaining more and more,
Then fight, fight, for the purple and
white,
BUHS forever more!

"We're actors...the opposite of people!"
Mr. Krammy Uncle Yearbook
What a gen-e-us!

DEDICATION

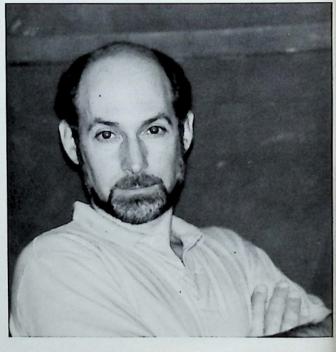

Having known the "K-man most of my life, it's odd having him as a teacher. He's a dedicated advisor who has taught me about writing, directing, yearbook layouts, and life.

-Dawn Ellen

I admire Mr. Kramsky beyond all belief. He is dedicated and throws himself into every project he does. He casts people in shows who will show off their acting skills, but at the same time, show him as a good director. I admire his enthusiasm, dedication, and willingness to deal with our Dramatic Lit. class. To deal with us and not go crazy, he must be one special person.

I know I speak for the entire Drama Department when I say how much you mean to us and how we will all miss you when we graduate. Take care Mr. K.

The Varsity Boys Soccer Team had a disappointing season in 1992. Although they played well at times, they suffered at least five losses at the end of the season, including their last game of the season which could have put them in the playoffs. One highlight of the season was when the team advanced to the finals of the John James Tournament for the first time since 1985 but lost to Arlington 1-0 in the finals.

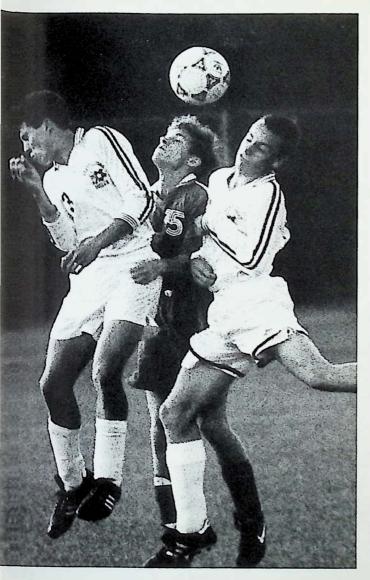

The Colonels were captained by Corey Frehsee and Cam Nesbitt this year and were led in goals by Russell Mundell.

Through the blazing summer days into bitter fall days the Varsity girl's soccer team played on. We had a fun season and a successful one, ending with a record of 8-5-2. Being the most agressive team in the league, we ran into little trouble from the higher ups. That only served to bring us together as a team, and we made it to the playoffs. We played our quarterfinal game in the rain and mud. After a scoreless first half, we were downed 3-0 by Colchester. This, however, was not a low point of the season since we reached our goal of making the playoffs. Everyone on the team contributed to our success, and two players (Cara Snarski and Becky Nelson) made the all-state team.

Graduating seniors are tri-captains Cara Snarski, Kate Schopman and Terra Descoteaux, along with Becky Nelson, Amy Frost, Tara Charest and Kim Durborow.

The 1992 football season was quite a turnaround for the Brattleboro Colonels following a disasterous 1991 record. This emotional season, led by talented seniors and Coach Bill Miller in his second season as head football coach, unfortunately fell short of a play-off birth. There was school spirit in 1992 second to no other year at BUHS for some time. It is clear that the pride of the south has returned and will be around for many years to come.

The Colonel Varsity Field Hockey Team had an exciting and successful 1992 season. We had a young team, and after our first four games we were 1-3. But no one gave up, and soon our teamwork and desire to win paid off. We posted six shutouts in our final eight games and took a nine game unbeaten streak into the playoffs. The luck of our team banana and banana dance helped as we upset the number two and three seeds to reach the finals. Unfortunately, an arguable call cost us the championship, but as Coach Libardoni said, we did not "let one crummy moment ruin three months of hard work." Our final record was 6-5-6. The graduating seniors include Jenn Strong, Courtney Christmas, Denise Brown, Heidi Lane, Emmalee Cherington, Shannon LaDeau, Karin Hill, and Erin Meyer.

At the beginning of the season the Colonel harriers had much more on their minds besides running. The loss of Jenn Murphy greatly affected the team and caused a lot of grief and questioning. There was a huge gap in the closely knit team, and even the newcomers sensed it. At the time there was every reason for runners to quit. Instead, they went through some tough sessions and banded together to form a champion-

FALL VARSITY CHEERLEADERS

he cheerleading squad for the 1992 football season was a great success. It consisted of eleven girls, five of whom were new to the team.

During the season, in addition to cheering at the home games, the cheerleaders were in charge of Spirit Week, organized the pep rally, threw the lockerroom surprises, and made numerous signs and banners.

Our main objectives were to create enthusiasm, raise school spirit, and to support our fall sports teams in every way possible.

GIRLS AND BOYS STATE

GIRLS STATE

During the month of June, girls from all over the state joined together in Montpelier to learn about state government and politics. They listened to guest speakers from all over, including Governor Howard Dean. They listened to each other, went through the election process, and trooped to the State House to debate bills such as the death penalty. These girls went through the learning process together and hopefully someday these motivated ladies will become government leaders.

Boys State was held at Norwich University last June. Boys from all over Vermont came for a week of learning about state government and politics. They listened to speeches from state political leaders, visited the State House, and held mock meetings and debates. It was a week of fun and education.

VARIETY SHOW '92

The 1992 Variety Show included bands, singers and actors performing a program that made this year's show an event not soon to be forgotten. The Madrigals danced and bopped to a fifties number while Scott Pagodin played a classical piece on the piano. "Raised by Lemmings" rocked the house while Liz Baker soothed us with her enchanting voice. There were several very clever humorous skits and some "awesome" banjo picking. Overall, a great time was had by all.

The first season of lacrosse at BUHS was an overwhelming success. The 35 team members made up in enthusiasm what they lacked in experience to achieve a winning season (5 wins, 3 losses). Defeating a talented Rutland team 7-5 in front of over 100 fans in the first lacrosse game ever played on Natowich Field was the highlight of the year for the Colonel team. Jake Lilly, voted Most Valuable Player by his teammates, was the team's leading scorer with 15 goals and 11 assists, followed closely by his brother, Luke Lilly, who finished the season with 16 goals, 8 assists. The self-supporting club, coached by Mr. Shields, managed through fundraising and generous donations to equip the team for the season.
